#### Independent Auditor's Report on Review of Interim Financial Information

To the Shareholders of People's Garment Public Company Limited

I have reviewed the accompanying statement of financial position of People's Garment Public Company Limited as at 30 June 2023, the related statements of comprehensive income for the three-month and six-month periods then ended, and the related statements of changes in shareholders' equity, and cash flows for the six-month periods then ended, as well as the condensed notes to the interim financial statements (collectively "interim financial information"). Management is responsible for the preparation and presentation of this interim financial information in accordance with Thai Accounting Standard 34 Interim Financial Reporting. My responsibility is to express a conclusion on this interim financial information based on my review.

#### Scope of review

I conducted my review in accordance with Thai Standard on Review Engagements 2410, *Review of Interim Financial Information Performed by the Independent Auditor of the Entity.* A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Thai Standards on Auditing and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

#### Conclusion

Based on my review, nothing has come to my attention that causes me to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with Thai Accounting Standard 34 *Interim Financial Reporting*.

People's Garment Public Company Limited

Notes to interim financial statements

For the three-month and six-month periods ended 30 June 2023

#### 1. General information

#### 1.1 Basis for the preparation of the interim financial information

These interim financial information are prepared in accordance with Thai Accounting Standard No. 34 Interim Financial Reporting, with the Company choosing to present condensed interim financial information. However, the Company has presented the statements of financial position, comprehensive income, changes in shareholders' equity, and cash flows in the same format as that used for the annual financial statements.

These interim financial information are intended to provide information additional to that included in the latest annual financial statements. Accordingly, they focus on new activities, events and circumstances so as not to duplicate information previously reported. These interim financial information should therefore be read in conjunction with the latest annual financial statements.

The interim financial information in Thai language is the official statutory interim financial information of the Company. The interim financial information in English language has been translated from the Thai language interim financial information.

#### 1.2 Significant accounting policies

The interim financial information is prepared by using the same accounting policies and methods of computation as were used for the financial statements for the year ended 31 December 2022.

The revised financial reporting standards which are effective for fiscal years beginning on or after 1 January 2023, do not have any significant impact on the Company's financial information.

#### 2. Related party transactions

During the period, the Company had significant business transactions with related parties. Such transactions, which are summarised below, arose in the ordinary course of business. and were concluded on commercial terms and bases agreed upon between the Company and those related parties. There were no significant changes in the transfer pricing policy of transactions with related parties during the current period.
